

VOLUNTEER OPEN HOUSE

Help Your Community # Have Fun # Be a Part of History # Earn Service Hours # Grow Your Skills

Learn how you can help the Connecticut Trolley Museum!

SATURDAY February 15 10:00am—2:00 pm

**in case of inclement weather, we will postpone until :

SATURDAY February 22 10:00am—2:00 pm

- Come and go throughout the day
- Meet volunteers
- Light refreshments provided
- Enjoy a ride on one of our fleet's historic trolleys!

Take the controls and learn to operate historic trolleys!

Operators learn the history of each car, engage with guests, and learn to operate on our fleet of vehicles. Volunteers as young as 15 can train as Junior Operators!

Our Library, Clerical, Training, and Development Departments are always hard at work behind the scenes, too!

Share insights on our exhibits, artifacts, trolleys, local history, and more as a museum docent! Engage with visitors, and help bring our collections to life.

If you have skills in the trades, or just enjoy working with your hands, there are several opportunities in our Car Shop, Grounds, SC & ET, and Building Departments.

**Together, we will make a lasting impact—
your skills and passion can help preserve trolley history!**

Please visit our website ct-trolley.org to RSVP
